Dear Parents,

Welcome to Veritas Classical Academy! We are a non-profit, hybrid-model, classical Christian school located in Fullerton, California that seeks to provide a Christ-centered education to K through 12th grade students so that they may discover, understand, and express the glory of God in all areas of life.

As a hybrid model, Veritas seeks to bring out the best of private schooling and parent participation. We offer a comprehensive curriculum that includes in its core: Bible, Math, English, History, Science, Latin, and Writing. In addition we offer P.E. and Fine Arts (Art, Drama, and Music). Our High School curriculum is classical and college-preparatory. For K - 6th, we offer an option of 3-day or a 5-day school, from 8:30 AM to 3:20 PM. For the 7th-12th, we offer a 5-day, full-time program from 8:30 AM to 3:20 PM. Students learn from godly, experienced teachers using the best curricula. All subjects are taught from the perspective that Christ and His Word are keys to recovering the truth, beauty and goodness of God in every area of life. At home, students are guided by their parents using the curricula and the structure set by our school. This historically rich and biblically consistent classical model is providing many parents with an alternative to the current models of education.
