\$1,500 fundraising commitment (per family)

Each family is asked to participate in fundraising. Veritas raises funds through our annual jog-a-thon, Benefit Dinner, Scrip, Smile.Amazon, and Benefit app. In addition, families get credit for approved in-kind donations. Families can even get a \$750 credit for inviting a new family who enrolls in Veritas.

Work Scholarships

Veritas wishes to make the school accessible to anyone willing to work. If affordability is a concern, work scholarships are available to families who apply through TADS and qualify.

Work scholarships are a way to reduce tuition costs. These scholarships are limited and are available on a first-come, first-served basis.

Work duties include, but are not limited to, recess duty, parking monitors, childcare, teacher aides, etc. Please call the office for more information.

Educational Therapy

For an additional cost based on assessment and need, educational therapy will be available to help students with learning disabilities or those struggling in class.

Educational Therapists are equipped to assess student learning needs. They will create and implement individual educational therapy plans using NILD techniques specific to the learning goals for each student. They are trained to unlock each student's learning potential through an individualized, therapeutic approach.

For more information, please call the office.
